TIPOLOGIE

LEGENDA

Legend for building types and intervention area. Includes color-coded boxes for Typology A (yellow), Typology B (green), Typology C (orange), Typology D (blue), and private lots (dark blue). Also includes a red dashed line for the 69,000 sqm intervention area and numbered circles for buildings 1-19.

POTENZIALITA' EDIFICATORIA DI PROGETTO

Table showing building typologies (A, B, C, D), individual buildings (1-19), and their respective floor areas (PT, P1, P2) and total area. Includes a summary row for 'TOTALE' and 'USI' (Residenziale, Terziario).

STRALCI ATTUATIVI

LEGENDA

Legend for active blocks. Includes color-coded boxes for Stralcio A (light blue), Stralcio B (green), Stralcio C (yellow), and a portion to be loaded first (orange). Also includes dashed lines for the perimeter of the block and the active block.
